Camping World of Fresno will hold a ribbon cutting at 11 a.m. on March 14.

The new business is located at 3672 S. Maple Ave.

“We are excited to be a part of your community,” said Anthony Blickhan, account manager for California. Blickhan said a celebration would be held at the store during the first weekend in May.

Camping World will feature RV center, RV sales area and a retail section for camping and RV supplies.

Prior to the Fresno store, the closest Camping World location was in Bakersfield. Both stores now serve the Valley.
