

Should California Lawmakers Be Allowed to Work a Second Job?

[Full episode for Mon, Apr 14, 2014](#)

<http://www.californiareport.org/archive/R201404140850/c>

The suspension last month of three Democrats from the state Senate for legal problems has put ethics front and center in Sacramento. Lawmakers have proposed scores of new bills, and legislative staffers have tackled extra ethics training. But there's one issue that hardly anyone is talking about: four in 10 lawmakers have some sort of outside job or income. *Reporter:* [Scott Detrow](#)
