I have known Rachel Hill for 22 years and am proud to support her candidacy for Fresno County Superior Court judge. Rachel is the only candidate who not only has business litigation experience but has also both prosecuted and defended criminal cases. She is dedicated to the rule of law and is uniquely qualified to serve. As a judge, she will be tough but fair. She will also look beyond the "lock 'em all up -- no matter what" philosophy of the past that has led to overcrowded and underfunded jails, as well as early releases of convicted criminals.

Rachel has the endorsement of community leaders and the support of more sitting Superior Court judges than all of the other candidates combined. If elected, she will make a real and positive difference in our community. Rachel Hill is deserving of our vote for Fresno County Superior Court judge.
