

Granville Homes donates \$77,000 to Community Food Bank

By Nadia
Pearl

Fresno's Community Food Bank will receive a \$77,408 donation from Granville Home of Hope on Tuesday.

This is the eighth year Granville Homes has partnered with the food charity. The donation will equate to more than 690,000 meals for residents in need throughout the community.

Community Food Bank CEO Andy Souza said that over the past eight years Granville Homes has provided nearly 8 million meals for the community.

"Granville's Home of Hope does just that -- it provides hope to families who are struggling with hunger," Souza said.
