AAA of Northern California delivered 80 turkeys Thursday to [Poverello House](#) in downtown Fresno, part of the insurer's 18th annual charity drive.

The delivery on the back of a Budget Towing truck kicks off Poverello House's annual holiday turkey drive. The charity's goal is 1,200 birds that will help serve 800 holiday dinners that include all the fixings.

AAA provides 20 tons of turkeys to 80 locations throughout Northern California, Nevada and Utah.
