The Los Angeles Fire Department has created a coin as a benefit for the family of injured Fresno firefighter Pete Dern, who was critically burned while battling a home fire in March.

The collectible coin can be purchased for \$25 through the Fire Family Foundation, with \$20 of each coin going toward expenses for Dern's family (\$3 pays for shipping and \$2 goes to the foundation).

Dern, a Fire Department captain, was hurt March 25 when he fell through the roof of a burning garage. He sustained second- and third-degree burns on 65% of his body.
