

Home-Price Growth Continues to Moderate

By Laura
Kusisto

Home-price growth slowed in April, but economists said that a down month is a positive sign the market isn't overheating.

The S&P/Case Shiller Home Price Index, covering the entire nation, rose 4.2% in the 12 months ended in April, weaker than a 4.3% increase in March.

The 10-city and 20-city indexes saw weaker increases in April...
